HELEN MILLS, WELL AP

INTERIOR DESIGNER

Helen Mills is a hard, efficient designer who is eager to continue her depth of knowledge through new professional mentors and experiences. She earned her Bachelor's Degree in Interior Design at SUNY Buffalo State in 2019. She has worked on a wide range of projects at varying stages. Her experience includes field surveying, space planning, design development, and construction documentation. Helen received her WELL certification in February 2023. Her goal is to bring innovative design ideas that are healthy for the client as well as the Earth. She is looking forward to developing creative and innovative ways to unify the built and natural environment. She is excited to see the initial concepts of a design lead into the construction phase.
