

## JORDAN DUKE

### SENIOR DESIGNER

Jordan Duke is a well-rounded design professional with experience in various aspects of the field, including space planning, design development, construction documentation, finish procurement, and project management. She earned her Bachelor's of Science degree in Interior Design from Auburn University in 2019, with minors in both business and sustainability studies. Her portfolio consists of a wide range of abilities and project types as well as innovative solutions to better suit a client's objective. Jordan enjoys bringing her client's vision to life and finds new ways to push her creative boundaries while delivering a functional, attainable, and timeless outcome.
