

KRISTEN HOLLOWAY, NCIDQ

DIRECTOR OF OPERATIONS

Kristen Holloway joined the Dynamik Interiors team with nearly 30 years of experience specializing in the Multi-Family, Student Housing, Single Family and Active Adult market segments. Kristen has a Bachelor of Science in Interior Design from Miami University in Oxford, OH. Her skill set includes the ability to holistically look at a design while understanding the importance of each detail necessary to implement the final product. She is intricately involved in the process including initial consultation, vision casting, presentation, construction document reviews, site walks/evaluations and installation analysis. She works diligently to ensure our culture includes creative problem solvers who support each other, are focused on continued learning, servicing, accountability and true teamwork.
