

NATALIA JARA

SENIOR DESIGNER

Natalia Jara is a detail-oriented designer with 6+ years as a primary interior designer for multi-industry construction and renovation projects. She has designed for several healthcare and assisted living facilities in Georgia. She received her Bachelor's Degree in Interior Design and Fine Arts from Georgia State University in 2013. Her unique foundation as a healthcare designer helps bring a fresh perspective. She considers how spaces affect overall health, so her clients ultimately feel comfortable, whole and nourished in their new space. Her portfolio consists of creative and practical solutions that meet the client's vision.
